"Let Go"

All our time we spend together
Then we lose our minds, we're wasting time again
You will never get it, I will never get it going
We will never give (in) but we gotta

Let Go
We gotta let go
We gotta hold on
We gotta hold on
We gotta let
Go

So this time we reach the limit
And we learn to lie and change our minds again
You will never get it, I will never get it going
We will never give (in) but we gotta

Let Go
We gotta let go
We gotta hold on
We gotta hold on
We gotta let
Go

I know we'll end it all
I know when we come home, when we come home
We'll waste it
I know we'll end it all
I know when we come home, when we come home
We gotta

Let Go
We gotta let go
We gotta hold on
We gotta hold on
We gotta let go
We gotta let go
We gotta hold on
We gotta hold on
We gotta let go
We gotta let go

We gotta hold on
We gotta hold on
