Everything you ever wanted

You like it rough you tell me so I change the way that I  
hold you  
The information never gets to you the way that I told  
you

Use your head or  
Lose the bet, you're  
Quite upset with the way things been going today

The look in your eyes tells me you've been hiding  
things  
Its so cold yeah  
You've been lying to me  
And when I ask her to speak up she tells me, hey man I  
fooled ya  
So better luck next time

Use your head or  
Lose the bet, you're  
Quite upset with the way things been going today

Everything you ever wanted  
Everything you ever needed  
Everything you ever wanted  
Everything you ever needed

You're always speaking in a condenscending way so I  
told you  
And if I could I would have placed an ad on the net and  
sold you

Use your head or  
Lose the bet, you're  
Quite upset with the way things been going today  
Use your head or  
Lose the bet, you're  
Quite upset with the way things been going today

Everything you ever wanted

Everything you ever needed  
Everything you ever wanted  
Everything you ever needed

Everything you ever wanted  
Everything you ever needed

Is right here  
Right here  
Right here  
Right here
