Oooohh,
we saw you change over time and it shows,
it shows you're far from fine and now you know,
you know its nobodys fault but your own

what went wrong
Waaa ooohh oooh ohh waa Ooh
Waaa ooohh oooh ohh waa Ooh

(clap clap clap)
Waaa ooohh oooh ohh waa Ooh
Waaa ooohh oooh ohh waa Ooh
(clap clap clap)

you're not getting, you're not seeing,
why is everybody leaving,
so alone here, so alone here,
you're not planning on achieving,
anything that you believe in,
you're so alone here, so alone here

go on and hide for yourself cause you know,

you know you're far from fine and now you'll go,
you'll go out all by yourself, you dont know,
no you dont know

what went wrong
Waaa ooohh oooh ohh waa Ooh
Waaa ooohh oooh ohh waa Ooh

what went wrong
Waaa ooohh oooh ohh waa Ooh
Waaa ooohh oooh ohh waa Ooh

you're not getting, you're not seeing,
why is everybody leaving,
so alone here, so alone here,
you're not planning on achieving,
anything that you believe in,
you're so alone here, so alone here,
you're so alone here, so alone here
