I wanna know  
Could you please tell me what the secret's all about?  
I'm losing control  
I'm losing grip on all the certainties around me

I wanna see  
I wanna see if you could really live without  
All the deceit  
You think you're better off by just waiting it out  
Eyes closed  
Face down,

Tell me what's the latest trend in  
Using lies to gain some friends?  
Do you really think you've got it all?  
Do you really think you've got us all?  
Do you really think you've got it all?  
Do you really think you've got us all?

I wanna be  
I wanna be there on the day your kingdom falls  
Is it so hard to see?  
Is it so hard to see your life is based on nothing at all  
You'll guess  
You'll crawl,

Tell me what's the latest trend in  
Using lies to gain some friends?  
Do you really think you've got it all?  
Do you really think you've got us all?  
Do you really think you've got it all?  
Do you really think you've got us all?  
Do you really think you've got it all?  
Do you really think you've got us all?

We are living in an age of taking not giving  
The girls are faking it for a living, it's such a shame  
But still we are giving ourselves away  
We are living in an age of taking not giving  
The girls are faking it for a living , it's such a shame  
But still we are giving ourselves away

Away  
Away,
