I saw a film  
Future visions of now  
They changed the end  
'Cause they always do somehow

Saw you tonight  
For the first time in years  
Crushed and thin  
But your guardian angel's with you

Judging by the way you walk  
And I have a feeling, it wasn't that easy

Keeping a pace like that  
Forever you fool me  
You are a heavenly junkie  
We live in the dreams you had  
I have a feeling, it wasn't that easy

To be who you were  
I saw a film about the violence in men  
I press rewind  
Take it frame by frame again

Saw you tonight  
Life still danced in your eyes  
You're creased and lined  
But your guardian angel's with you

Judging by the way you talk  
And I have a feeling, it wasn't that easy

Keeping a pace like that  
Forever you fool me  
You are a heavenly junkie  
We live in the dreams you had  
And I have a feeling, it wasn't that easy

Keeping a pace like that  
Forever you fool me  
You are a heavenly junkie  
We live in the dreams you had

And I have a feeling, it wasn't that easy

Keeping a pace like that

Forever you fool me

You are a heavenly junkie

We live in the dreams you had

And I have a feeling, it wasn't that easy

To be who you were
