Nail your spine into my back  
You are in me  
I'm your breathing as you crack  
Into that sad and scary smile  
So this is what it feels like...  
This is what it feels like  
I'm the one that sucks you dry  
Drowning in you  
I am every tear you cry  
I am someone else tonight  
And this is what it feels like...  
This is what it feels like  
I take you down, I give you back  
Softly, slowly  
I leave you breathing as you crack  
Into that sad and scary smile  
Knowing what it feels like...  
This is what it feels like
