The lights go out  
You lay your head to rest  
Wondering what tomorrow's gonna hit you with  
Truth be known  
You're feeling far from home  
And the faith you used to challenge every test

God says, "Come to Me  
"And lay your burdens down  
"And I will give you rest."  
"Come to Me  
"And lay your burdens down  
"And I will give you rest  
"And I will give you rest."

The future's now  
And you made it here somehow  
Taking residence amidst the fading crowd  
Now you're scared  
The only one left there  
Thinking back to all your childhood prayers

God says, "Come to Me  
"And lay your burdens down  
"And I will give you rest."  
"Come to Me  
"And lay your burdens down  
"And I will give you rest  
"And I will give you rest."
