The road less traveled  
Is no less a road  
Though it is narrow  
It leads us home  
To the glory of God  
Eternal life  
His glorious throne  
I don't know about you  
But this much is true  
I can't wait to go home

I can't wait to go home  
Where there will be no more pain  
When all of Your children  
Are praising Your name  
In Your mighty kingdom  
Forever You'll reign  
I can't wait to go home

I can't wait to go home  
Where there'll be no more tears  
And we'll live in Your glory  
And not in our fears  
When time will be measured  
In love, not in years  
I can't wait to go home

A difficult travel  
The sticks and the stones  
Oh, the spirit can weary  
And weigh on the bones  
But this truth remains:  
The saved have a claim  
To see Christ on that throne  
I don't know about you  
But this much is true  
I can't wait to go home

I can't wait to go home  
Where there will be no more pain  
When all of Your children  
Are praising Your name

In Your mighty kingdom  
Forever You'll reign  
I can't wait to go home

I can't wait to go home  
Where there'll be no more tears  
And we'll live in Your glory  
And not in our fears  
When time will be measured  
In love, not in years  
I can't wait to go home

I can't wait to go home  
Where the streets are paved with gold  
And the Lord is on His throne  
I can't wait to go home  
I can't wait to go home

I can't wait to go home  
Where there will be no more pain  
When all of Your children  
Are praising Your name  
In Your mighty kingdom  
Forever You'll reign  
I can't wait to go home

I can't wait to go home  
Where there'll be no more tears  
And we'll live in Your glory  
And not in our fears  
When time will be measured  
In love, not in years  
I can't wait to go home

When time will be measured  
In love, not in years  
I can't wait to go home...
