I remember
Oh, I remember

Four walls around me
A TV to keep me company
Sittin' here all by myself
My Bible's sittin' on the shelf
Next to me
The greatest story ever told
A part of life I put on hold
I put on hold

But I remember
Oh, I remember

I passed a church the other day
I heard a lot of people say
That You love me
It made me think when I was young
I learned You gave Your only Son
To set me free
I let my life get in the way
But now I feel the need to pray
The need to pray

I remember
Oh, I remember

As I look back through all my years
I can't stop the flood of tears
I've forgotten what it is to give
Give myself up to You
But now I remember

I remember
Oh, I remember
