Rain, rain on me
I need Your grace
Rain, rain on me
I need Your grace and mercy

Oh, I've seen my life and know I need forgiveness
So I stand before You now a broken man
I remember when I first fell to my knees before Your
throne
And I want to know that healing power again

Rain, rain on me
I need Your grace
Rain, rain on me
I need Your grace and mercy

I wanna feel the power of mercy's flow
Be swept away from head to toe
Be washed and cleansed so I can live again
I know my soul's protected by Your hands
Cannot be lost by any sin
But I wanna please You, Lord, so here I am

Rain on me
Rain on me
Set me free
Rain on me
Rain on me
Rain on me
Set me free
Rain on me

Rain, rain on me
I need Your grace
Rain, rain on me
I need Your grace and mercy
