Sometimes forgotten  
Sometimes unknown  
Feels like I'm living this life on my own  
Faithless through the trials  
With a heart that seldom shows  
How can I be my best  
With a faith that never grows

It comes from reading, believing your holy Word  
Silence in prayer so You can be heard  
Trusting in love and Your arms outstretched on the  
cross for me  
From humbly receiving Your will for me  
Spending more time down on my knees  
Trusting in love and Your arms outstretched on the  
cross so wide  
Proving love can die

It's clear my strength  
Fails every day  
That I don't follow the things You say  
Where can I run to  
Tell me where can I go  
To find the peace I need  
The everlasting hope

It comes from reading, believing your holy Word  
Silence in prayer so You can be heard  
Trusting in love and Your arms outstretched on the  
cross for me  
From humbly receiving Your will for me  
Spending more time down on my knees  
Trusting in love and Your arms outstretched on the  
cross so wide  
Proving love can die
