"Wash Over Me"

There's a place that I love to go
Where the mountains meet the sea
An awesome reminder
That You created me
The waves crash in
And overcome the shore
Another reminder
Of what I'm looking for

Wash over me
Like the waves upon the sand
Pull me in
By the strength of Your own hands
Wash over me
Like the waves upon the sand
Pull me in
By the strength of Your own hands

There's a place that I love to go
Where the cross still hangs high
An awesome reminder
Of why You came to die
The cross is bare
Because You rose up from the dead
Another reminder
That You're not finished yet

Wash over me
Like the waves upon the sand
Pull me in
By the strength of Your own hands
Wash over me
Like the waves upon the sand
Pull me in
By the strength of Your own hands

Wash over me
With the red of blood-stained hands
Make me pure
So that I can live again
Make me pure
So that I can live again
