When I was a little bitty baby
My mama would rock me in my cradle
In them old cotton fields back home
It was down in Louisiana
Just about a mile from Texarkana
In them old cotton fields back home

Oh, when those cotton ball get rotten
You can't need very much cotton
In them old cotton fields back home
It was down in Louisiana
Just about a mile from Texarkana
In them old cotton fields back home

When I was a little bitty baby
My mama would rock me in my cradle
In them old cotton fields back home
It was down in Louisiana
Just about a mile from Texarkana
In them old cotton fields back home

Oh, when those cotton ball get rotten
You can't need very much cotton
In them old cotton fields back home
It was down in Louisiana
Just about a mile from Texarkana
In them old cotton fields back home
