[1]

I don't know where the time has gone  
I don't know why it's taken so long  
All I know, is you're still in my mind  
All I know, is you're not lost in time

[2]

Take me home before tomorrow  
Take me home where we once loved  
Call me now lost in sorrow  
Call me home before tomorrow

[3]

Hold me so tight, like the first time again

Tell me within, it's now thru the end  
Touch me so real, as if time will begin  
Tell me within, it's now thru the end

[4]

Who can say where it all goes  
I don't know all the answers  
Who can tell where it travels  
All I know it's thru the end...thru the end

[repeat 2]

[repeat 3]
