I run, I jump, I fly, oh me, oh you, oh we, oh my-y-y
Your love it takes me high so real so true I cant lie-i-i
Oh boy, you got me goin' crazy

I think I want to have your babies
(Stop playin')
Can't eat, can't sleep, can't breathe
When you come around me, me get weak in the knees-
ee-s

Boy say oh, please don't leave
I need you by my side I'm beggin' you please-e-es-s
I think your lovin' is amazin'
Oh boy, your heart, you're really blazin'

When you grind up on me, love up on me
Touch up on me
When you grind up on me, love up on me
Touch up on me

Goin', go hard, I try to do everything
You want and do everything you like
I need you to be mine
If I can't have you I think I'm gon' cry

You never gave me not one warning
Now boy, you're lovin' in a problem
Call 9-1-1 I'm hooked, I'm shook
I'm fallin', I can't get up

Your lips, your body, your touch
Got me in a trance I can't get enough
Your too much for me, I can't take it
Oh boy, you got my body shakin'

When you grind up on me, love up on me
Touch up on me
When you grind up on me, love up on me
Touch up on me

You're the one
(The one)

I don't wanna another one, baby, baby
Your sexy come undress me
Oh boy, 'cause you turn me on

You're the one
(The one)
I don't wanna another one, baby, baby
Your sexy come undress me
Oh boy, 'cause you turn me on

When you grind up on me, love up on me
Touch up on me
When you grind up on me, love up on me
Touch up on me

Tell me pretty baby if you wanna make love tonight
Tell me pretty baby if you wanna make love tonight
Tell me pretty baby if you wanna make love tonight
Tell me pretty baby if you wanna make love tonight
Tell me pretty baby if you wanna make love tonight

I want you
