i can hear the song playing all over the radio, hey  
requesting on your radio stations, till you reach  
number one

this song is called captain, captain, captain, captain,  
captain, captain, captain

you can be my captain, captain, captain, captain

i was born captain, captain, captain, captain

come over and save me boy, yeah

come over and save me boy

come over and save me boy

come over and save me boy

you can be my officer, the one that gives me orders  
i fulfill my duty ?. if you fulfill my fantasies, yeah, yeah  
i won't surrender to you, you don't know what to do  
and baby tonight i'm gonna earn my ? to you  
and this gonna be the ? feelings you had in your life  
if you stay by my side, i stay by your side

i'ma be, i'ma be, i'ma be your soldier

till the war, till the war, till the war is over

standing at attention, ready for permission

...from being sergeant to the ?

now you are my my captain, captain, captain, captain,  
captain, captain, captain

...boy, captain, captain, captain, captain, my, all

aboard, captain, captain, captain

come over and save me boy,

come over and save me boy

come over and save me boy

come over and save me boy

i'm honor to my baby making hundred hours

when you're on your way i'ma hop up in the shower,

yeah

i'll be waiting for you to arrive, hope you're ready cause

it's battle time

take off your jacket, take off your shoes, i don't think

you're ready  
i don't think you're ready  
? just to set the mood, i don't think you're ready, i don't  
think you're right

i'ma be, i'ma be, i'ma be your soldier  
till the war, till the war, till the war is over  
standing at attention, ready for permission  
...from being sergeant to the ?

now you are my my captain, captain, captain, captain,  
captain, captain, captain  
...boy, captain, captain, captain, captain, my, all  
aboard, captain, captain, captain

come over and save me boy,  
come over and save me boy  
come over and save me boy  
come over and save me boy

i can hear the song playing all over the radio, all over  
the radio  
requesting on your radio stations, till you reach  
number one  
this song is called captain, captain, captain, captain,  
captain, captain, captain  
you can be my captain, captain, captain, captain

come over and save me boy,  
come over and save me boy  
come over and save me boy  
come over and save me boy.
