Feat. Rihanna

I'll be your entertainment tonight (tonight)
I show you whatever it is you like (you like)
Just sit back and enjoy the show (the show)
And kick your feet up boy here we go (Baby hit the
lights)
I need all of your attention (Baby its alright)
You can admire my dimension (Ohhh)
Don't work in on my definition for you
Tonight there is only one thing for you to do

[X2:]

Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
Just plug in the wire
Make my volume higher higher
Be my

Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
Just plug in the wire
Make my volume higher higher
Be my remote control

Don't adjust this station it is just right (Just right)
Name all your favorite I'll be that tonight (Tonight boyy)
Espn ain't nothing compared to this
Think you see action nothing is like this (Baby hit the
lights)
Now I've got all of your attention (Baby it's alright)
You can touch on on my dimension (Ohhh)
Don't work in on my definition for you
Tonight I'm a the only thing for you to do

[X2:]

Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
Just plug in the wire

Make my volume higher higher
Be my

Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
Just plug in the wire
Make my volume higher higher
Be my remote control

Ohhh feels like a fur
The pictures are clear
You wanna put it on pause
Remote control me
Nothing like a late night
Flick to keep you in touch
You wanna see it again
Remote control me

[X2:]
Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
Just plug in the wire
Make my volume higher higher
Be my

Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
Just plug in the wire
Make my volume higher higher
Be my remote control
