"First"

[Verse 1:]

Momma taught me, taught me good, how to carry
myself like a lady
& I'm listening and understood that these dudes be
trippin man but I got the upperhand
Ain't no slick talkin, fast walkin make me break my
rules
Won't you givin now my number, til my momma says
it's cool
Cause were ladies never chasing, always keep on
waiting
Oh do you here me? Now listen clearly

[Chorus:]

Don't be the first to call (first to call) make him wait
Don't be the first to move (first to move) hesitate
Why told me rules to the game
Nothing's change, yes it's true
Can't be the first to call, no
No, for for me

[Verse 2:]

You live by these words I won't give if you don't earn
I hit the game, and I ain't no lame
And if you wanna get to know me, boy you gotta show
me
Ain't no slick talkin, fast walkin make me break my
rules
Won't you givin now my number, til my momma says
it's cool
Only waiting keeps from stressing always keep on
guessin
Oh do you here me? Now listen clearly

[Chorus:]

Don't be the first to call (first to call) make him wait
Don't be the first to move (first to move) hesitate
Why told me rules to the game
Nothing's change, yes it's true
Can't be the first to call, no

No, for for me

Fall from you, don't be, don't be, the first to fall
Fall from you, don't be, don't be, the first to fall

[Chorus:]

Don't be the first to call (first to call) make him wait
Don't be the first to move (first to move) hesitate
Why told me rules to the game
Nothing's change, yes it's true
Can't be the first to call, no
No, for for me
