I'm standin' at the fork in the road, and I
Don't really know which way to go, it's like
17 years ago all over again, and I, I
I'm a little girl lost alone, and yes
I wanna know what lies ahead, and yeah, my
Feet are planted & I don't wanna take a step

Cause I won't make it any further with you on my back
Carry a burden & I can't do it this time, goodbye
Then again, do I listen to my heart, do I cry for help
I keep second guessing myself, why
Does it have to be so (Be so)
Hard to let you go (Whoa-ouh)

Its almost sun down (Ahh)
I gotta put my foot down
And I know if I do
It's gonna hurt me

More than it hurts you (uhh)
I know how much you need me
Breaks my heart, believe me (Ahh)
Now I know what I gotta do
But it's gonna hurt me

More than it hurts you
More than it hurts you
More than it hurts you
But it's gonna hurt me
More than it hurts you
More than it hurts you (Cause I don't, hey)
More than it hurts you
But it gonna hurt me

Now ordinarily I wouldn't give up, i'm no quitter
But under the circumstance
I think it's better that I wash my hands of ya, love ya (I)
But i'm thinkin' that I can't live with ya
Can't live without ya,
It's something about ya,
That makes me wanna stick around & stay
Settle down

Even if it kills me but I can't

Cause I won't make it any further with you on my back
Carry a burden & I can't do it this time,
Goodbye (Do it this time, goodbye)
Then again, do I listen to my heart
Don't I cry for help (Ahh, hey)
I keep second guessing myself, why
Does it have to be so (Be so)
Hard to let you go (Whoa-ouh)

Its almost sun down (Ahh)
I gotta put my foot down
And I know if I do
It's gonna hurt me
More than it hurts you (Uhh)
I know how much you need me
Breaks my heart, believe me (Ahh)
Now I know what I gotta do
But it's gonna hurt me (It's gonna hurt me)

More than it hurts you (Hurts you)
More than it hurts you (Hurts you)
More than it hurts you (More than it hurt)
But it's gonna hurt me
More than it hurts you (Hurts you, yeah)
More than it hurts you (Cause I don't, hey)
More than it hurts you (Ouh, why)
But it's gonna hurt me (Walked, wait, realize)

Cause I
You got me walked, wait, realize

Cause I
