#### Verse 1

Was I supposed to come so close to loving you  
That I couldn't see  
Was I supposed to drown myself in thoughts of you  
To where I could no longer breathe  
You're just a silhouette  
Of a perfect man  
Cause you take me higher..than I have ever been  
Just to break me down..into a thousand pieces  
Boy you, make me, wish I...was a hustler

#### Chorus

So I could move the weight  
Off of my shoulders  
And I could run away  
If I could be a hustler  
Then I would move the weight  
Off of my shoulders  
And I would run away  
Away home

#### Verse 2

Such a waste of my time  
You are everything you shouldn't be  
And how one seconds introduction  
Could become a lifetime of misery  
You're just a silhouette  
Of a perfect man

Cause you take me higher  
Than I have ever been  
Just to break me down  
Into a thousand pieces  
Boy you, make me, wish I ...was a hustler

#### Ex- Chorus

So I could move the weight  
Off of my shoulders  
And I could run away

If I could be a hustler  
Then I would move the weight  
Off of my shoulders  
And I would run away  
Away from you  
So I could move the weight  
If I could be a hustler  
And I could run away  
From this corner you got me stuck on  
And I would move away  
Boy you, make me, wish I ...was a hustler  
Aye If I could be a hustler  
Yeah

Outro

So I could move the weight  
And I could run away  
Then I would move the weight...  
The I would run away...
