(Music Breaks)

Mmmmmmmmmmmmmmmmm

(Verse 1)

I'm like why commit it's just a waste of time
But somehow I'm convinced that you're not like any
other guy
But for some reason I'm still holding on

Steady arguments, with all our ups and downs
It's been crazy but
The situation, I can't leave it alone

(Chorus)

And I don't know
This feeling I'm feeling it's real and deep down inside
telling me it's right (x2)
It's what you're saying that I can be you're only (I'm wit
it I'm wit it I'm wit)

Say I will be yours (x3)

(Verse 2)

And you come around
I can't find the words to say
I get speechless and then you take my breath away
What is it about you, I can't put my finger on

And I ask myself is this just another game?
How convinced that I still remain
Am I so blind that I can't see am I wrong?
But I don't

(Chorus)

This feeling I'm feeling it's real and deep down inside
telling me it's right (x2)
It's what you're saying that I can be you're only (I'm wit
it I'm wit it I'm wit)

Say I will be yours (x3)

(Verse 3)

And no matter what lays ahead
Problems come nobodys perfect
Just know that you got me
There's nothing we can't get through
Because now I know

(Chrous)

This feeling I'm feeling it's real and deep down inside
telling me it's right (x2)
It's what you're saying that I can be you're only (I'm wit
it I'm wit it I'm wit)
