(feat. Ne-Yo & Kanye West)

[Keri Hilson:]

Heh... not again...

Ohh... this ain't supposed to happen to me...

[Kanye West:]

Keep rockin', and keep knockin'

Whether you Louis Vuitton-ed up or Reebok-in'

You see the hate, that they're servin' on a platter

So what we gon' have - desert or disaster?

[Keri Hilson:]

I never thought I'd... be in love like this

When I look at you my mind goes on a trip

And you came in... and knocked me on my face

Feels like in I'm a race

But I... already won first place

I never thought I'd... fall for you as hard as I did

(As hard as I did, yeah)

You got me thinkin' about our life, house and kids

(yeah)

Every morning I look at you and smile

Cause boy you came around and you knocked me
down... knocked me down

[Chorus:]

Sometimes love comes around

(Love comes around)

And it knocks you down

Just get back up

When it knocks you down

(Knocks you down)

Sometimes love comes around

(Love comes around)

And it knocks you down

Just get back up

When it knocks you down

(Knocks you down)

[Ne-Yo:]

I've never thought I
Would hear myself say (ooh)
Ya'll gon head
I think I'm gonna kick it with my girl today (Kick it with
my girl today)
I used to be commander and chief
Of my pimp ship flyin' high (flyin' high)
Til I met this pretty little missile, that shot me out the sky
(ohhh shot me out the sky)

(Hey) Till now I'm crashin, I don't know how it happened
But I know it feels so damn good
Said if I could go back, and make it happen faster
Don't you know I would baby if I could
Miss independent (ohh, to the fullest), the load never to
much, she helpin me pull it
She shot the bullet that ended that life
I swear to you the pimp in me just died tonight

[Keri Hilson]

[Chorus:]

Sometimes love comes around
(Love comes around)
And it knocks you down
Just get back up
When it knocks you down
(Knocks you down)
Sometimes love comes around
(Love comes around)
And it knocks you down
Just get back up
When it knocks you down
(Knocks you down)

[Kanye West:]

Tell me now can you make it past your caspers
So we can finally fly off into NASA
You was always the cheerleader of my dreams to
Seem to only date the head of football teams
And I was the class clown that, always kept you laughin'
We, were never meant to be baby we just happened
So please, don't mess up the trick... hey young world
I'm the new slick rick
They say I move too quick, but we can't let the moment
pass us
Let the hourglass pass right into ashes
Let the wind blow the ash right before my glasses
So I wrote this love letter right before my classes
I could of got his ass, someone that's only average

For advice
O.M.G, you listen to that, bitch?
Whoa it's me
Baby this is tragic
Cause we had it, we was magic

I was flyin', now I'm crashin'
This is bad, real bad, Michael Jackson
Now I'm mad, real mad, joe jackson
You should leave your boyfriend now, I'm a ask him

[Keri Hilson:]
So I gotta put the good with the bad, happy and the sad
So I'll bring a better future than I had in the past
Oh Cause, I don't wanna make the same mistakes I did
I don't wanna fall back on my face again
Whoaa, whoaaa
I'll admit it, I was scared to act to loves call
Whoaa, whoaaa
And if it hits better make it worth the fall

(When it comes around)

[Chorus:]
Sometimes love comes around
(Love comes around)
And it knocks you down
Just get back up
When it knocks you down
(Knocks you down)
Sometimes love comes around
(Love comes around)
And it knocks you down
Just get back up
When it knocks you down
(Knocks you down)

Won't see it coming when it happens
But when it happens you're gonna feel it, let me tell you
now
You see when love come and knocks you down (ohh)

Won't see it coming when it happens
But when it happens you're gonna feel it, let me tell you
now
You see when love comes and knocks you down (yeah)
