We both agreed this relationship
Ain't really workin' for neither one of us.
We need a little cool out space.
Thinkin maybe I should move back to my own place.

Then you said that we should see other people.
Met a lot of dudes, but none of them were you, so
What am I to do? Ain't got nothing to lose.
Why not, reach out to you?

But after this,
I can't do it anymore.
You can't keep, keep knocking at my door.
Keep coming back for more.
If breaking up was the best thing,
Then why I do I keep up the "sex with my ex" thing.

[Chorus]
(See this is the last time)
Never thinking this is how it's 'posed to be.
(This is the last time)
You say it was over so I know it's gotta be.
(This is the last time)
I said it the last time.
But this is the last time.
This is the last time

And I know I made a big mistake.
But once more just for old time sake.
I know I said it the last time.
But this is the last time.
Until the next time.

He's on the couch.
He's half-naked.
Here put some clothes on.
Boy, here's a blanket.

Ain't nobody rubbin, jumping off tonight.
Knowing good and well I'm telling a lie.

What am I supposed to do when I need him so bad.
And this pillow ain't squeezin back.
I try to go to sleep, but I can't relax.
I feel him breathing on my back.
And I can't front. I got needs.

I can't do it anymore.
You can't keep, keep knocking at my door.
Keep coming back for more.
If breaking up was the best thing,
Then why I do I keep up the "sex with my ex" thing.

[Chorus]
(See this is the last time)
Never thinking this is how it's 'posed to be.
(This is the last time)
You say it was over so I know it's gotta be.
(This is the last time)
I said it the last time.
But this is the last time.
This is the last time.
This is the last time.

And I know I made a big mistake.
But once more just for old time sake.
I know I said it the last time.
But this is the last time.
Until the next time.

We don't wanna stop but it's got to be over.
I ain't trying to give you the cold shoulder.
I shouldn't be lettin you in, but Imma do it again.
As long as you know. This is the last time.

[Chorus]
Never thinking this is how it's 'posed to be.
(This is the last time)
You say it was over so I know it's gotta be.
(This is the last time)
I said it the last time.
But this is the last time.
This is the last time.
This is the last time.

And I know I made a big mistake.
But once more just for old time sake.
I know I said it the last time.
But this is the last time.
Until the next time.
(REPEAT 1x)
