And night, I keep you in the "I wanna do without

And I want to be known like you, won't you talk with me
But how am I supposed to make my moving? "I
I don't know what's going on, and I don't mind
And the feeling is strong, don't ask me why
"I pass me by
Don't ask me, don't ask me, don't go

Don't you see that you make me
The girl of your dreams is just in front of you
I need the perfect "I so what you gonna do, what
you gonna do?
Boy, you're body's waking you're not dreaming but
you're sleeping, what's up with that?

I don't know what's going on, but I don't mind
And the feeling is strong, don't pass me by
"I pass me by
Don't ask me, don't ask me, don't go

I don't know what's going on, "I don't pass me by

I don't know what's going on, but I don't mind
And the feeling is strong, don't pass me by
"I pass me by
