Baby lover,
Who you know can put it down like me
Ain't another,
Without a doubt I know you'll agree,
Undercover,
When you bring the pain I'll bring the heat,
Got ya brother
Anytime you need the remedy,

I got the goods that'll make you wake up at night - I'll
just sleep,
Make you get up and hit me say you on your way - down
my street,
Just thinking 'bout it got you runnin' the lights,
Once you fall in you can't get out that's cuz I...

(Chorus)

Got that quicksand
(mmmmMMMMmmmmMMMMmmmm),
I keep him sinkin'
(mmmmMMMMmmmmMMMMmmmm),
Got that quicksand
(mmmmMMMMmmmmMMMMmmmm),
That's how I keep him (ohhhhhh),

I could teach ya,
But all you gotta do is aim to please,
Babe, a teaser
Break him down then give him what he needs,
It's the best insurance,
If he ever leaves he'll be back,

On his knees,
Right where you want him just like that,

I got the goods that'll make you wake up at night - I'll
just sleep,
Make you get up and hit me say you on your way - down
my street,
Just thinking 'bout it got you runnin' the lights,
Once you fall in you can't get out that's cuz I...

(Chorus)
Got that quicksand
(mmmmMMMMmmmmMMMMmmmm),
I keep him sinkin'
(mmmmMMMMmmmmMMMMmmmm),
Got that quicksand (I can give it to ya but what you
gonna do with it X2),
That's how I keep him (ohhhhhh),

(DeeeeeOhhhhh) (4x)

(Chorus)
Got that quicksand
(mmmmMMMMmmmmMMMMmmmm),
(DeeeeeOhhhhh)
I keep him sinkin'
(mmmmMMMMmmmmMMMMmmmm),
(DeeeeeOhhhhh)
Got that quicksand
(mmmmMMMMmmmmMMMMmmmm),
(DeeeeeOhhhhh)
That's how I keep him (ohhhhhh),
(DeeeeeOhhhhh)
