They are all... they can be my... on my shades
They can tell which way I'm looking don't be mad on me
You should get like me, you've seen things differently
'Cause from behind this... feel flies, you can't tell men
not.

Bridge:

To me it doesn't matter what the weather is
'Cause no matter what the weather is don't shine in
Stunner, stunner, stunner's on, stunner, stunner,
stunner's on.

To me it doesn't matter what the weather is
'Cause no matter what the weather is don't shine in
Stunner, stunner, stunner's on, stunner, stunner,
stunner's on.

2x chorus:

I got my shades on in the... , if you can do it I can do it
too,
If you can do it I can do it too.
I got my shades on in the... , if you can do it I can do it
too,
If you can do it I can do it too.

Can't go nowhere where the paparazzi are...
With everybody watching, people starting talking
Haters take a... , but what my eyes can see,
Though it don't bother me, I want it to be bothered
... what never put these things on in door.

(2 x bridge)

To me it doesn't matter what the weather is
'Cause no matter what the weather is don't shine in
Stunner, stunner, stunner's on, stunner, stunner,
stunner's on.

2x chorus:

I got my shades on in the... , if you can do it I can do it
too,
If you can do it I can do it too.
I got my shades on in the... , if you can do it I can do it

too,
If you can do it I can do it too.

Liar than a passport with this shades on my eyes, my
eyes
Is something you can't... when you loved to be this fly,
this fly
I could get... it's dark in here, I'll just makin' my mark in
here,
None of the... stuck in what I start in here, I see the
haters comin'
You know I'ma...

[2x bridge]

[2x chorus]
