For my baby (like a dog) x4

Verse 1

I'm sick like nasty clean like dubs,  
He want it but don't even see what's up,  
The one that I really want aint even in this club,  
The collar is diamond studded but \*fleas\*? got love  
(got love),  
And I don't wanna be my,  
But so many want it that aint even my type,  
Bartender at the bar kinda buff,  
Be he aint the gutter I like cause I aint got a buzz

Bridge

Now who know how to treat a good girl,  
Pull her by the ponytail and giver her that uh,  
And if it aint hot it aint hood  
I say it how I want it and I wish a n\*gga would.

Chorus

Boy you make me wanna shake it like a dog x4  
For my baby (like a dog) x4 verse 2  
I'm full of that bubbly,  
Shorty just told me for 2 years he wanted to cut me,  
I gave him a quick sigh with this in the \*9th\*? mind,  
Can't touch me,  
Now they think I'm changed up cause I'm pinky up and I  
came through this thing in cufflinks,  
Better recognize diva when I shake it g's up,  
And my girls they do it just like me.
