[Keri Hilson:]
Hey Kells

[R. Kelly:]
Yeah

[Keri Hilson:]
Here boy

[R. Kelly:]
Rufff

[Keri Hilson:]
C'mere boy
I'm right here boy

(Chorus: x2)

[Keri Hilson:]
Boy you make me wanna shake it like a dog
Boy you make me wanna shake it like a dog
[R. Kelly:]
Come on, girl I wanna see you shake it like a dog
Bend it over girl, shake it like a dog

[Keri Hilson:]
If you want it baby, come and take a chance
Put it on me like my number one fan
I'll make em say "Who the hell left the gate open?"
Got 'em wishin they could get it, they can stay hopin'
Guess you really think you got game
Just a dog that need to be trained
Let you get it one time, you gon' stay open
If you ain't gettin' money, you can stay broke then
I'm gettin' tired of these mutts tryin to step to me
Don't even try it if you ain't top Pedigree
Cause uh, can't cuff her, every man love her
Hazel eyed pit, wait a minute mother fucker

(Chorus: x2)

[Keri Hilson:]
Boy you make me wanna shake it like a dog
Boy you make me wanna shake it like a dog

[R. Kelly:]

Come on, girl I wanna see you shake it like a dog
Bend it over girl, shake it like a dog

[Keri Hilson:]

Superbad bitch, I'm a man best friend
I'm what they all want like a brand new Benz
I got they tongue hangin out with they tail waggin
Know they wanna chase the cat when I walk past them
They like bow wow wow yippie yo yippie yay
I hear em sayin, "She can get it" like everyday
If you don't wanna lose him, keep your man on a leash
Cause if he do a new trick, I'm a give him a treat
That's why them hatin ass chicks stay mad at me
I gotta shake them dicks up off of me
I'm in the middle of the floor
I'm bout to shake it like a dog on all fours

(Chorus: x2)

[Keri Hilson:]

Boy you make me wanna shake it like a dog
Boy you make me wanna shake it like a dog

[R. Kelly:]

Come on, girl I wanna see you shake it like a dog
Bend it over girl, shake it like a dog

[R. Kelly:]

Yeah I make you wanna shake it like a dog and it's true
Bend it over in my face and you can wiggle it too
All the hunnies lookin at me but I'm lookin at you
Just love the way you drop it down and make it do what
it do
I can't believe it baby girl I think I'm falling in love
But that ass will make me wanna wife you up in this
club
It's like you strippin with your clothes on, you're killin
the game
And that booty like a storm the way you makin it rain
When you shake girl, it make me think sex
Make a dog want a bone, here's mine girl... fetch
We can work it out, you ain't even gotta stretch
If you wanna feel good, girl I'll bring you to a vet

(Chorus: x2)

[Keri Hilson:]

Boy you make me wanna shake it like a dog
Boy you make me wanna shake it like a dog

[R. Kelly:]

Come on, girl I wanna see you shake it like a dog
Bend it over girl, shake it like a dog
