"She Ain't Me"

She ain't me (ayy) [x4]

[Verse 1:]

If shes a clue I'm an answer
If shes a cat I'm a panther
Quit playin' games with beginners
Cause she ain't even in my leauge
I'm qualified for a position
And baby girls still on a mission
She need to get up out the kitchen
Cause she can't even sit in my heat

[Pre-Chorus:]

Woah
If you ain't on me like that what chu lookin at me,
fooooo
Lickin ya lips like I'm the sh! t you know you need,
booy
Before you swing my way you better be, suuuuure
You gotta come with it, cause boy I don't play around

[Chorus:]

She ain't me
I ain't even gotta say it now
She ain't me
I'm a let you figure out
She ain't me
Bet you you'll forget about her
She ain't me
She ain't even in my league
She ain't me
Let me put this song in mind
She ain't me
Boy you need a ride or die
She ain't me
Don't make no mistake about it
She ain't me
She ain't me

[Verse 2:]

Ay She might be down but your clueless
She got you walkin lookin foolish
You in the car but you ain't movin
Cause she ain't even up to my speed
And you know
It's a fact, there's no chick on the map messin with this
one
And you know
It's a wrap, close it up, put a fork in her cause shes
done

[Pre-Chorus:]

Woah
If you ain't on me like that what chu lookin at me,
fooooo
Lickin ya lips like I'm the sh! t you know you need,
booooy
Before you swing my way you better be, suuuuure
You betta come with it, cause boy I don't play around

[Chorus:]

She ain't me
I ain't even gotta say it now
She ain't me
I'm a let you figure out
She ain't me
Bet you you'll forget about her
She ain't me
She ain't even in my league
She ain't me
Let me put this song in mind
She ain't me
Boy you need a ride or die
She ain't me
Don't make no mistake about it
She ain't me
She ain't me [x2]
