#### Verse 1

I still remember that funny look on your face (face)  
When I finally told you I'd be on my way (I'd be on my  
way) hey  
You called me crazy said I'm out my mind  
I said but if I stay here (here)  
It'd be a waste of time  
I I... I really gotta go, gotta get out of here  
I'm running...  
Gotta continue my journey  
Cause all lying and declining you know that I'm off that  
I ain't trying to go back, to when it was all that  
Boy when you had me, you ain't know how to act  
Now when you call my phone, I ain't even call back

Heeey, cause I'm too good for all that  
I wanna give this love back if I could  
My love is so good  
You wish you could get this girl back  
You'll miss me cause my love is so good

(Chorus.)

My love is so good, so good, so good, so good, so  
good My love  
is so good, so good, so good, so good, so good My  
love is so  
good, so good, so good, so good, so good My love is  
so good, so  
good, so good, so good, so good  
(Yeaah)

#### Verse 2.

All I remember was smoking mirrors, made in pictures,  
or  
reaching temper, opinions differ

Look what you did to us  
You used to find it hard to tell me you love me  
Now you need me

I find it so hard, so hard to believe  
That you want me back (back)  
Well I ain't in no rush  
(Whyyy)  
Everything that you wanted was yours (was yours)  
Love was right in your face (face) and now it ain't no  
more (no  
more)  
Cause all lying and declining you know I'm off that  
I ain't trying to go to when it was all that  
Boy when you had me you ain't know how to act  
Now when you call my phone, I ain't even call back

Heeey, cause I'm too good for all that  
I wanna give this love back if I could  
Nooooo  
You wish you could get this girl back  
You'll miss me cause my love is so good

(Chorus.)

My love is so good, so good, so good, so good, so  
good My love  
is so good, so good, so good, so good, so good My  
love is so  
good, so good, so good, so good, so good My love is  
so good, so  
good, so good, so good, so good  
(Yeaah)

(Bridge.)

Now you're begging me to come home  
But I'm already over yo
