Please Don't turn me off...

Your fly as hell  
Swagger right brown skin poppin'  
You know just how tah talk tah me  
Know just how I like it  
Your turning me on (X3)

Now wait a minute lil' buster  
You got one more time  
To feel on my booty  
Better reconise a lady  
That aint the way you do me  
Your turning me on (X3)  
Better reconise a real woman

[Chorus]  
Ever try to get real close to me  
You better keep a reck how you 'proachen me  
Dime divas give it to me  
I gotta be feeling your energy  
I gotta be for sure that your into me  
Reconise a real woman

Throwing up on it  
Your acting like you wan it  
And stuntin' like your daddy  
Checking for this little mama  
Your turning me on (X3)  
Now wait a minute lil buster  
Now you don't even know me  
But you wanna take me shopping  
You are lame I can tell it aint big shit poppin'  
Your turning me on (X3)  
Better reconise a real woman

All you wanna do is holla at the cutest  
Browse to get up in those draws  
Got more than  
Don't try to buy me bottles  
Got my own dollars  
I can buy up the bar if I wanted.

[Chorus]

Ever try to get real close to me  
You better keep a reck how you 'proachen me  
Dime Divas give it to me  
I gotta be feeling your energy  
I gotta be for sure that your into me  
Reconise a real woman

[Lil Wayne]

I'm fly as hell  
Swagger right brown skin poppin'  
Like dynamite raw light shiny bike  
Mama I feel your percenta right  
But I go under water  
And I hope that your pirhanna bite  
And I hope that your v\*\*\*\*a tight  
Splittin' like my daddy baby  
You are baby mama type  
And I bet that got you kinda hyped  
Yea I know hot carter  
Turn you on like hot water  
Never turn you off  
Baby girl watch that pop oh you got  
Yourself some scar tissue  
Pick your spot and I'll kiss you  
Bet my fingers can turn you on  
Like a television  
Turn it to the weather channel  
Coz I make it rain girl  
You just been on planet earth  
But you never been to waynes world  
I don't use game but I played on it  
And I aint gotta bait on it  
I just do my thing  
Now your in love with an alien
