East Side, Atlanta, K is where is I Resi-ide

-CHORUS-
G..G..G..Get it where you fit in,
Better keep it gutta,
Damn it do you hear me,
I don't hear a stutter.
Turn up the turn up the radio,
Turn up the turn up the radio.

Baby cut the lights off,
Im'ma still shine though,
Have you ever seen a chick with swagger like mine
though.
Everytime I walk up in the club I be on that,
Catch me at the bar like, (Hey)
Where that patrone at.
No, this ain't a disco,
Why would i be dissin,
I know im the shit and,
Ain't no competition,
Listen,
I need you to bang this in your system, (bang this in
your system)
You follow the leader while i play a position.

-CHORUS- X2
G..G..G..Get it where you fit in,
Better keep it gutta,
Damn it do you hear me,
I don't hear a stutter.
Turn up the turn up the radio,
Turn up the turn up the radio.

If you, if you lookin' good,
If you, if you feelin' good,
Levie(?) good, right good,
Your ready for a chick like me. (where you at?)

I'm in the back where the models and the bottles and
the ballers be,
It' something you oughta see.
Weak blow poppin',
Streets is watchin',
Hips is rockin,
Big Shit poppin'.
Boys try'na sex me,
Girls try'na catch me,
Watch me walk it out, it might just set these ooon.

-CHORUS- X2

G..G..G..Get it where you fit in,
Better keep it gutta,
Damn it do you hear me,
I don't hear a stutter.
Turn up the turn up the radio,
Turn up the turn up the radio.

Looking for that, bump, bump, promise,
To keep it coming,
Got you baby.
He ain't gotta drink, (drink)
He aint' gotta smoke, (smoke)
But im'ma get you high,
When you hear this dope. (so)
Turn it turn it up,
We 'bout to get it on,
The DJ show me love,
he 'bout to hit it up.
And a long time comin',
hit the ground running.
Im just tryna G..G..G..Get it, Can i get it?

-CHORUS- X2

G..G..G..Get it where you fit in,
Better keep it gutta,
Damn it do you hear me,
I don't hear a stutter.
Turn up the turn up the radio,
Turn up the turn up the radio.
