### Verse 1:

Everybody's tellin me to wait for you to call back  
Can you tell me where did he go (I can't do it)  
But I don't never want another girl to come and get that  
(No)  
Can you tell me where did he go  
My train of thought is gone and now you're runnin on  
the same track  
Can you tell me where did he go (Where'd you go)  
And now you're leavin to have to find out where you  
been at  
Can you tell me

### Bridge:

I'm a mess right now (I'm a mess right now)  
Out of order  
I'm torn up, I'm goin down (I'm Goin down)  
Won't you hold me together I'm porin out (I'm pourin  
out)  
I need you that's(that's) how(how) I(I) feel(feel)

### Chorus:

I refuse to believe  
You do not think of me  
Like I do you  
If I'm right  
Then show me come through  
Cause I been needin you lately (Lately I)  
I refuse to believe  
You do not think of me  
Like I do you  
If I'm right  
Then show me come through  
Cause I been needin you lately

### Verse 2:

People always askin me what is got me wearin all black  
Can you tell me where did he go (I don't know)  
Stressin got the best of me I really need to fall back  
Can you tell me where did he go (Cause I)  
Wish I never said that you and me could never go back  
Can you tell me where did he go  
But I just wasn't thinkin can't you see I didn't mean that  
Can you tell me

Bridge:

I'm a mess right now (I'm a mess right now)

Out of order

I'm torn up, I'm goin down (I'm Goin down)

Won't you hold me together I'm porin out (I'm pourin out)

I need you that's(that's) how(how) I(I) feel(feel)

Chorus:

I refuse to believe

You do not think of me

Like I do you

If I'm right

Then show me come through

Cause I been needin you lately (I been needin you lately)

I refuse to believe

You do not think of me

Like I do you

If I'm right

Then show me come through

Cause I been needin you lately

Can you tell me where did he go

Where did he go

Where did he go

Because I'm a mess right now (I'm a mess right now)

Out of order

I'm torn up, I'm goin down (Goin down)

Won't you hold me together I'm porin out (I'm pourin out)

I need you that's how I feel

Chorus:

I refuse to believe

You do not think of me

Like I do you

If I'm right

Then show me come through

Cause I been needin you lately (I been needin you lately)

I refuse to believe

You do not think of me

Like I do you

If I'm right

Then show me come through

Cause I been needin you lately (I)

Can you tell me where did you go

Hear me, Hear me now

Can you tell me where did you go

Hear me, Oh
