I didn't know if I would ever feel the same
The way I used to feel before you'd gone
I didn't know if the ache would ever go away
I only knew I had to go on

I know I should've noticed it was coming
I just wanted to pretend I was blind
I don't know if you ever really loved me
Or maybe you were just passing time
Well I guess you'll never know but I've finally let you go

And the rain may be falling on my window
But I feel like I'm coming alive
Yesterday I was trying so hard not to cry
But today I feel fine, let it rain

I know you always thought I'd stay here waiting
Just in case you wanted to come back
But you never thought I might start healing
Maybe I just would not want you back
Well I guess you'll never know but I've finally let you go

And the rain may be falling on my window
But I feel like I'm coming alive
Yesterday I was trying so hard not to cry
But today I feel fine

Yesterday I was trying so hard not to cry
But today I feel fine and I am not losing my mind
So today I feel fine, let it rain
Let it rain, let it rain, rain

Let it rain, let it rain, let it rain on me
Let it rain, let it rain, let it rain on
Let it rain, let it rain, let it rain on
Let it rain, let it rain, let it rain on me
