Keri Noble
"Ooh Oh"

Ooh oh, ooh oh, ooh oh

Wasn't it the pain
That brought us together
Wasn't it the heartache
That brought me to you
Wasn't it the look
That you saw in my eyes
That told you
I knew what you'd been through

Ooh oh, ooh oh, ooh oh

Wasn't it the heat
That kept us warm at night
Wasn't it the hunger
That made us want more
Wasn't it the hurt
That made it easier
To forget the things
We both left behind

Cause I've been hidin'
All my life and
I've been tryin
To keep me safe but
I've been healin
I've been thinkin
I am ready
Finally for something more
Than this

Ooh oh, ooh oh, ooh oh

Wasn't it the ache
That brought us here
Wasn't it the fever
That kept us up all night
Didn't it feel good
To only need each other
Wasn't it our way
To think that this was life

Cause I've been hidin'
All my life and
I've been tryin
To keep me safe but
I've been healin
I've been thinkin
I am ready
Finally for something more
Than this

What if it's just me
I can't keep it together
What if it's too much
Too much for me to take
What if I want you
Just to walk away
From all the pain
We have both been through

Cause I've been hidin'
All my life and
I've been tryin
To keep me safe but
I've been healin
I've been thinkin
I am ready
Finally

Ooh oh, ooh oh, ooh oh
Ooh oh, ooh oh, ooh oh
