This is the last time
I'm gonna write this down
I must admit I've gotten used to you
not being around
You were always better
In the pages of my letters

I don't talk to God
the way that I used to
No hard feelings
He's just got more important things to do
Then hear my broken records
Repeated in the pages of my letters

You should know that I don't blame you
For breaking in
And not following through
Somewhere I know it's true
That to be with you
Could never measure
To the pages of my letters

Guess the hardest part
Of all of this for me
Is that I was the one
Who built you up to be
Completely better
In the pages of my letters

You should know that I don't blame you
For breaking in
And not following through
Somewhere I know it's true
That to be with you
Could never measure
To the pages of my letters

Think you'd want to know
When I didn't know
Where to go
I would imagine what you'd say

Then I'd try to go along your way

I don't blame you
For not following through
Somewhere I know it's true
That to be with you
Could never measure
To the pages of my letters
