Go ahead, leave the bottle baby
Got a feelin' it's gunna be one of those nights
Don't leave the light on
Don't wait up
If I get my way,
I'll be in no shape to kiss you goodnight

Drinkin red wine until daylight
Leave us alone it'll be alright
Sometimes you wanna sort your thoughts out
But other times,
You just wanna drink until the daylight

I've got these doubts following me around
No matter where I go when I stop they are there
I've gotta do something before I lose my mind
I'm gunna drink this bottle till I no longer care

Drinkin red wine until daylight
Leave us alone it'll be alright
Sometimes you wanna sort your thoughts out
But other times,
You just wanna drink until the daylight

It's been one hell of a day
Don't ever know where to start
Baby whatever you do,
Don't pick me apart

Ohhh, yeah

Go ahead leave the bottle baby
Got a feeling
Oh oh

Drinkin red wine until daylight
Leave us alone it'll be alright
Sometimes you wanna sort your thoughts out
But other times,
This is one of those other times
You just wanna drink until the daylight

Drink until the daylight
Ohh yeah

I'm gunna drink until the
I'm gunna drink until the
Daylight
