Did you ever think, about me?
Did you ever think just once, this was a mistake?
Did you stop for a minute, think I deserve better?
You deserve better than living life under cover

Did you ever try to talk to me?
Did I push you off and leave it for another day?
Did you need to feel something?
A drink wouldn't cut it, you found someone who filled
the spaces, eh yeah

(Chorus)
How do we make it back?
I know
You felt alone every time that I'd act like
I didn't need you
I didn't believe when you'd say
One day it'll all be too late
To turn back

(oh)

Did you ever look across the room?
And feel like I was a stranger, and not someone who
loved you?
Did I make you feel like a fool?
Looking back I can see that was what I would do

(Chorus)
How do we make it back?
I know
You felt alone every time that I'd act like
I didn't need you
I didn't believe when you'd say
One day it'll all be too late

To turn back, to the first kiss
When we felt like kids
Back to the love that we started, with
Oh oh oh yeah

How do we make it back?
I know
You felt alone every time I'd act like
I didn't need you
I didn't believe when you'd say
One day it'll all be too late

Oh oh, I know
You felt alone every time that I'd act like
I didn't need you
I didn't believe when you'd say
One day it'll all be too late
To turn back

Did I make you feel like a fool?
I didn't mean to baby
I didn't mean to baby

Is it too late, baby?
