I'm not afraid to slip or fall.
And rain or shine I'm standing tall.
No,
I won't be there tonight.
No,
But I will be by your side -
All the way,
All the way.
I know that nothing lasts forever,
We journey once, then no more never.
No,
I don't want an eternal life.
No,
Just let me be by your side -
All the way,
All the way.
Don't bring me moons and stars,
The sun or mars,
Just hold me baby.
Don't let me slip away,
Just make me stay,
I need you -
All the way,
All the way,
All the way.
Don't bring me moons and stars,
The sun or mars.
Just hold me baby -
All the way.
Don't let me slip away,
Just make me stay.
I need you -
All the way.
