Is it cold where I'll be tonight
Well you should know that I don't care at all
Do I have a place to sleep at night
Well I should say that I don't care at all

You wont hear me cry
Cause I don't care at all
I'm beautiful inside
And I just don't care at all

If you'll take me away
Whatever u do
Whatever u say
I don't care about me
I don't care about u
I don't know what is right
Don't know what is wrong
I'm singing my song
I'm not trying to hide
That I am beautiful inside
Beautiful inside

Am I drunk or high tonight
I am sure that I don't care at all

You wont hear me lie
Because I don't care at all
I'm a little creep inside
I just don't care at all

If you'll take me away
Whatever u do
Whatever u say
I don't care about me
I don't care about u
I don't know what is right
Don't know what is wrong
I'm singing my song
I'm not trying to hide
That I am beautiful inside
Beautiful inside.

If you'll take me away
Whatever u do
Whatever u say
I don't care about me
I don't care about u
I don't know what is right
Don't know what is wrong
I'm singing my song
I'm not trying to hide that I am beautiful inside
