Hey, shopkeeper  
Can I have some of the yellow... some of the pink?  
Some of the music in the monitors louder?

Uh-huh, uh-huh

I got so many to chose from  
I could be chewing for days  
And I won't share with the classroom  
Don't give a fuck what you say

Got every kind you can think of  
I can't just have only one  
I wanna double my pleasure  
I wanna double my fun

You want it, I got it  
I'm not gonna give it up  
You want it, I got it  
I'm not gonna give you...

Bubble-bubble-bubble gum  
Bubble-yum yum  
Bubble-bubble-bubble gum  
Bubble-yum yum

You want it, I got it  
But you're not gonna get none  
Of my bubble-bubble gum gum  
Bubble yum

I blow them big as I can, create a total eclipse  
And when they pop I lick the bubble gum off of my lips  
And when they lose all the flavor, I stick them under my  
seat  
Got every shade of the rainbow, Wrigley's jealous of  
me

You want it, I got it  
I'm not gonna give it up  
You want it, I got it

I'm not gonna give you...

Bubble-bubble-bubble gum  
Bubble-yum yum  
Bubble-bubble-bubble gum  
Bubble-yum yum

You want it, I got it  
But you're not gonna get none  
Of my bubble-bubble gum gum  
Bubble yum

Blow them big as I can  
Blow them big as I can  
Blow them big as I can  
Blow them big as I can

Uh-huh, uh-huh  
Let's go

Bubble-bubble-bubble gum  
Bubble-yum yum  
Bubble-bubble-bubble gum  
Bubble-yum yum

You want it, I got it  
But you're not gonna get none  
Of my bubble-bubble gum gum  
Bubble yum

Bubble-bubble-bubble gum  
Bubble-yum yum  
Bubble-bubble-bubble gum  
Bubble-yum yum

You want it, I got it  
But you're not gonna get none  
Of my bubble-bubble-bubble gum gum  
Bubble yum
