Did I hurt you?  
Did I ever made you bleed inside?  
Did I kill you?  
I didn't mean to make you hide yourself,  
Find you in you, beautiful.  
Do not grow the seeds of pain in you,  
Goodbye!  
Let the butterflies cry,  
Let them cry for you.  
You just dry your eyes,  
Because the world is wonderful.

Let the butterflies cry,  
Let them cry for you.  
You just dry your eyes,  
Because the world is wonderful.

Oh, because the world is wonderful

I have been there,  
I used to believe there was no light.  
But I found out,  
Oh, life is far too short to fight.  
Loose yourself, let go of your pain,  
Taste the air you breathe and kiss the sky.  
Goodbye!

Let the butterflies cry,  
Let them cry for you.  
You just dry your eyes,  
Because the world is wonderful.

Let the butterflies cry,  
Let them cry for you.  
You just dry your eyes,  
Because the world is wonderful.

Oh, because the world is wonderful.

Let the butterflies cry,  
Let them cry for you.

You just dry your eyes,  
Because the world is wonderful.

Let the butterflies cry,  
Let them cry for you.  
You just dry your eyes,  
Because the world is wonderful.

Oh, because the world is wonderful,

And yeah, because the world is wonderful!
