

## Kerispatih "Tea Party"

Visit "[Tea Party](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Welcome to the Tea Party  
Want to be my VIP?  
You didn't RSVP  
That's ok, that's ok  
Welcome to the Tea Party (oh oh, oh oh)  
Want to be my VIP?  
When I'm all steamed up, hear me shout  
Tip me over and pour me out

Your appetite is flex  
I got the table set  
Don't get your dribble on my  
T-t-table yet

I got the goodies baked  
Got more than you can take  
Just try and nibble on my biscuits and my rainbow cake

Let's be traditional  
And non commissional  
Elbows down, pinkies up  
That's the way you sip my cup

Welcome to the Tea Party (oh oh, oh oh)  
Want to be my VIP? (oh oh, oh oh)  
You didn't RSVP (oh oh, oh oh)  
That's ok, that's ok (oh oh, oh oh)  
Welcome to the Tea Party (oh oh, oh oh)  
Want to be my VIP?  
When I'm all steamed up, hear me shout  
Tip me over and pour me out

Try not to move so fast  
You know dessert comes last  
I'm the lady fatha mucka try to show some class

Down to the last cup  
We keep it boiling hot  
We keep the party moving till we drink the last drop

Let's be traditional

And non commissional  
Elbows down, pinkies up  
That's the way you sip my cup

Welcome to the Tea Party (oh oh, oh oh)  
Want to be my VIP? (oh oh, oh oh)  
You didn't RSVP (oh oh, oh oh)  
That's ok, that's ok (oh oh, oh oh)  
Welcome to the Tea Party (oh oh, oh oh)  
Want to be my VIP?  
When I'm all steamed up, hear me shout  
Tip me over and pour me out

I know this night is like no other  
And you're not just a lover

(Porcelain in paper cup world)

I know it's only getting better  
As long as we're together

(Porcelain in paper cup world)

I know this night is like no other  
And you're not just a lover

(Porcelain in paper cup world)

Welcome to the Tea Party (oh oh, oh oh)  
Want to be my VIP? (oh oh, oh oh)  
You didn't RSVP (oh oh, oh oh)  
That's ok, that's ok (oh oh, oh oh)  
Welcome to the Tea Party (oh oh, oh oh)  
Want to be my VIP?  
When I'm all steamed up, hear me shout  
Tip me over and pour me out
