Congratulations  
False expectations  
Wrong destination  
And realization

That is  
Manifestation  
Fake sensation  
Just imitation  
Endless frustration

It's all the people going up up up up  
It's all the people staying down down down  
It's all the people going up up up up  
It's all the people staying down down down

Imagination  
Identification  
And weak foundation  
Is a bad combination

It's all the people going  
Up up up up  
It's all the people staying down down down  
It's all the people going up up up up  
It's all the people staying down down down

Listen

It's all the people going up up up up  
It's all the people staying down down down  
It's all the people going up up up up  
It's all the people staying down down down
