Hey, shopkeeper
Can I have some of the yellow... some of the pink?
Some of the music in the monitors louder?

Uh-huh, uh-huh

I got so many to chose from
I could be chewing for days
And I won't share with the classroom
Don't give a fuck what you say

Got every kind you can think of
I can't just have only one
I wanna double my pleasure
I wanna double my fun

You want it, I got it
I'm not gonna give it up
You want it, I got it
I'm not gonna give you...

Bubble-bubble-bubble gum
Bubble-yum yum
Bubble-bubble-bubble gum
Bubble-yum yum

You want it, I got it
But you're not gonna get none
Of my bubble-bubble gum gum
Bubble yum

I blow them big as I can, create a total eclipse
And when they pop I lick the bubble gum off of my lips
And when they lose all the flavor, I stick them under my
seat
Got every shade of the rainbow, Wrigley's jealous of
me

You want it, I got it
I'm not gonna give it up
You want it, I got it

I'm not gonna give you...

Bubble-bubble-bubble gum
Bubble-yum yum
Bubble-bubble-bubble gum
Bubble-yum yum

You want it, I got it
But you're not gonna get none
Of my bubble-bubble gum gum
Bubble yum

Blow them big as I can
Blow them big as I can
Blow them big as I can
Blow them big as I can

Uh-huh, uh-huh
Let's go

Bubble-bubble-bubble gum
Bubble-yum yum
Bubble-bubble-bubble gum
Bubble-yum yum

You want it, I got it
But you're not gonna get none
Of my bubble-bubble gum gum
Bubble yum

Bubble-bubble-bubble gum
Bubble-yum yum
Bubble-bubble-bubble gum
Bubble-yum yum

You want it, I got it
But you're not gonna get none
Of my bubble-bubble-bubble gum gum
Bubble yum
