I looked at you and all I saw  
Was colors oh so beautiful  
From blue to green for rainy days  
And pinks and reds for being okay  
They make feel you  
So incomplete  
So naked, small  
But oh so sweet

See where it's going  
Can I be knowing  
But you will not be here  
It's all become so clear  
And I'll keep walking  
I keep on wondering  
If what we have was real  
If I will ever heal  
Heal  
Heal

I looked at you and all I saw  
Was colors oh so beautiful  
From blue to green for rainy days  
And pinks and reds for being okay  
They make feel you, so incomplete  
So naked, small, but oh so sweet  
They make feel you  
They make feel you...
