I heard you crying last night
Did you stop trying last night?

You say there is nothing left for us
You say there is nothing left of us

And we were flying so high
Fell to pieces in the sky

Then we knew there was nothing left of us
Trying to find something left for us

Keep shining, pretty girl
It's too late and nothing hurts
So hold on, hold on

I'll turn the lights off, sleep tight
And I'll be leaving so goodbye

We knew there is nothing left of us
This time there is nothing left for us

Keep shining, pretty girl
It's too late and nothing hurts
So hold on
Oh, keep smiling, pretty girl
It's too late and nothing hurts
Go ...

And I'll be leaving so goodbye
We knew there is nothing left of us
This time there is nothing left for us

Oh, keep shining, pretty girl
It's too late and nothing hurts
So hold on
Oh, keep smiling, pretty girl
It's too late and nothing hurts
Go ...

Na na na, uh
Na na na na na na na, oh

Na na na, uh
Na na na na na na na na, oh
Na na na, uh
Na na na na na na na na, oh
Na na na, uh
Na na na na na na na na, oh

Oh, keep shining, pretty girl
It's too late and nothing hurts
So hold on
Oh, keep shining, pretty girl
It's too late and nothing hurts
So hold on, hold on
Hold on

Eh

So hold on
Oh, hold on
Hold on
