Oh, what a ride
I wanna make you mine
Spending my time in the waiting line

Oh, what a ride
My navigation lied
And for every green light there's a warning sign

You're like a speed limit
Like a bump on the road
Like the 5 o'clock traffic on the highway

You're like a speed limit
Like a bump on the road
Like the 5 o'clock traffic on a Friday

I know where I wanna go
But the roads seems to be curvy
Speed up, slow down, get away, come around
No stopping, no turning

I'm sick of all my CDs
But the radio is playing Kerli
I do know where I'll end up
I won't let this get me down

Oh, what a ride
I wanna make you mine
Spending my time in the waiting line

Oh, what a ride
My navigation lied
And for every green light there's a warning sign

You're like a speed limit
Like a bump on the road
Like the 5 o'clock traffic on the highway

You're like a speed limit
Like a bump on the road
Like the 5 o'clock traffic on a Friday

Speed up, get ahead
No passing on red
Show me the finger, baby

Blind spot, too hot
Freeway's like a parking lot
Please stop driving me crazy

Hate me, break me
Rolling, mirrors, lights on
This is about to get hazy

Feels like time is passing me by while I am standing still

Oh, what a ride
I wanna make you mine
Spending my time in the waiting line

Oh, what a ride
My navigation guide
And for every green light there's a warning sign

You're like a speed limit
Like a bump on the road
Like the 5 o'clock traffic on the highway

You're like a speed limit
Like a bump on the road
Like the 5 o'clock traffic on a Friday

You're like a speed limit
Can't get through to you
You're like a speed limit
I can't get through to you

You're like a speed limit
I can't get through to you
You're like a speed limit
I can't get though to you

You're like a speed limit
Like a bump on the road

Like the 5 o'clock traffic on the highway

You're like a speed limit

Like a bump on the road

Like the 5 o'clock traffic on a Friday

You're like a speed limit

Like a bump on the road

Like the 5 o'clock traffic on the highway

You're like a speed limit

Like a bump on the road

Like the 5 o'clock traffic on a Friday
