This is an old
And funny poem
I accidentally
Overheard
It keeps
The little children
Playing
And bigger children
Spread the word
My memory is bad
So I always tend
To forget how it goes
But

Life is my creation
Is my best friend
Imagination
Is my defense
And I'll keep walking
When skies are grey
Whatever happens
Was meant that way

You're no better
Or no worse
Than the others
We are all the same
And life
Is just a moment
You might as well
Enjoy this day
It's time
To start believing
That everything
You want is on it's way
And

Life is my creation
Is my best friend
Imagination
Is my defense
And I'll keep walking

When skies are grey
Whatever happens
Was meant that way

We'll be growing
Into knowing
While we're floating
Keep on going
