Congratulations
False expectations
Wrong destination
And realization

That is manifestation
Fake sensation
Just imitation
Endless frustration, yeah, yeah

It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up
It's all the people staying down, down, down

Imagination
Identification
And weak foundation
Is a bad combination

It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up
It's all the people staying down, down, down

It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up
It's all the people staying down, down, down
Yeah, they're staying down, down, down
Oh, listen

It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up
It's all the people staying down, down, down

It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up

It's all the people staying down, down, down

It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up
It's all the people staying down, down, down

It's all the people going up, up, up, up
It's all the people staying down, down, down
It's all the people going up, up, up, up
It's all the people staying down, down, down
